

Dear CRCS families:

The New York State Education Department is requiring that we report on digital resources. We ask that you take the time to complete a survey. The step-by-step instructions are below. If you are unable to complete the survey and would like to take part in the survey, please call the Middle High School.

Thank you for your time and cooperation.

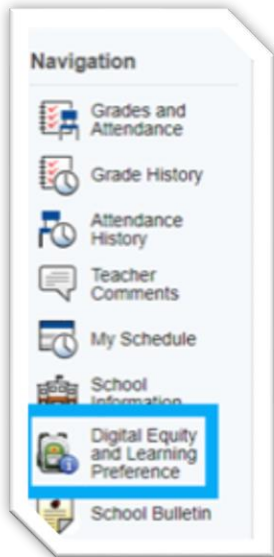

The digital equity survey is viewable in the student and parent portal.

It is under the button labeled “**Digital Equity and Learning Preference.**”

The digital equity survey *is not in the parent/student app*, it is **only available on the portal viewed via the web.**

Below is a screen shot from the parent portal showing the Digital Equity left menu button.

To enter the Digital Equity survey data:

- Click the **Digital Equity and Learning Preference icon**
- The Student Digital Resource screen will appear
- To enter the survey responses, click **New**
- Enter the survey data
- Submit

If a survey response has already been submitted, the screen will show the survey record.

If you need your username and password for PowerSchool, please contact one of the secretaries.
