EXPERIENCE

Castle Learning Online (Castle Software, Inc.) has been serving the education industry for over 22 years. With nearly 1,000,000 student users and hundreds of thousands of teacher users in the United States, what was once a small, CD-ROM based program has grown into a trusted resource in the education world. Read more about how we got started here.

QUALITY

Castle Learning is a K-12 resource which provides core testing content using a variety of formats. Instant grading, detailed assessment reports, and instructional feedback are benefits that save time and improve student performance. Castle Learning Online allows me to have students in social studies 9, 10 and 11 all reviewing at the same time.

Q & A

How can we help you?

I like.... I wonder.... I wish.....

I like the mini. I wonder why PARCC can not embrace it?
I wish the student body had a greater influence on today's technology choices.
